IMPORTANT ANNOUNCEMENT

REDKINGS POKER AND BETTING CLOSING DOWN

After nearly 13 years of shuffling cards at the tables, we regret to inform you that we are closing two of our products on RedKings (Poker and Betting).

The casino will continue as normal and your account will stay active so you will be able to access your funds to play or withdraw at any time using your same log in details.

You can also continue to play poker and finish your existing bonuses with RedKings until the 28th April, but new bonuses will no longer be issued and the monthly Chase and Point per Day promotions have now been stopped for April.

So that you may continue playing your poker at MPN, we have arranged with our friends at Betsafe to take over our popular RedKings Promotions. We will send you the details next week.

With regard to betting, please ensure all bets are settled by the 24th April.

We thank you for playing Poker and betting at RedKings and we wish you good luck in the future.

This is basically the amount of time you have got to meet with the wagering requirements before the extra expires and you also remove one profits you have got obtained. 100 percent free spins may only become appropriate for 24 hours otherwise right up to 1 week and this will vary according to the 100 percent free online casino site you gamble at the.
